The **WSSC** is seeking six *alternate* Plumbing and Fuel Gas Board (Board) members, 1 for each of the qualifying classes listed below, to serve for a minimum of three years. The members of the Board meet as needed, but normally on a quarterly basis to review and discuss issues relating to the Plumbing & Fuel Gas Code, including license hearing and appeals, at the WSSC headquarters in Laurel, Maryland. The exercise and performance of functions and duties of the Board shall be subject to the authority of the Commission as set forth in Public Utilities Article, Annotated Code of Maryland.

Role

Alternate members of the Board overseen by the WSSC's General Manager may attend all board meetings but can only vote in the absence of the member representing their particular class of membership. They may also provide technical input, advice and guidance on projects and act as a sounding board on potential issues. In addition, liaise and/or building relationships with those affected by Plumbing & Fuel Gas Code to raise the profile of the Board externally is encouraged.

Qualifications

1. A WSSC-registered Master Plumber/Gasfitter representing the large commercial and/or large volume residential sector.
2. A WSSC-registered Master Plumber representing a local plumbing trade association.
3. A WSSC-registered Master Gasfitter representing a local HVAC trade association.
4. A plumbing/mechanical registered professional engineer.
5. A consumer representative from Montgomery County, with an understanding of technical issues, who shall not have any financial interest in any person regulated by the Board.
6. A consumer representative from Prince George's County, with an understanding of technical issues, who shall not have any financial interest in any person regulated by the Board.

How to apply

Please forward any questions and/or letters of interests along with a statement of qualifications **by no later than 31 January 2012** to Zohreh Movahed, Chair (Email: zmovahe@wsscwater.com).
