WSSC
Where Water Matters

Quarterly IT Update

Commission Meeting
January 16, 2019

1918-2018
A Century of Serving Our Community
WSSC

Need to Know

- Consulting and Technical Services (CATS)
  - IT Managed Services transition to be completed February 1, 2019
  - Project Cornerstone Independent Verification & Validation (IV&V) Services awarded
  - Project Management Office (PMO) Support issued
- Cybersecurity Awareness Training
  - 1726 employees/contractors participated (16 more users than last report)

Malware Mitigation

- WSSC was recently infected by two outbreaks
- Because of steps we took, the number of cybersecurity incidents has decreased greatly
