Utility Services Central Division will research the request to see if there is existing data on file. Fee for existing data is $83.00. If new test is needed, the fee is $693.00. We will notify the requestor of our findings and advise the appropriate fee within 5 business days.

When contacted, please remit payment in the correct amount along with a copy of this request form to:

WSSC - Revenue
Attn: Revenue Unit - Fire Flow
14501 Sweitzer Lane
Laurel, MD 20707

Flow Test Site Address MUST be printed on the check stub for Reference

Note: New, or existing test results will only be provided upon receipt of the above information and appropriate fees. New fire flow test results will typically be available within 2-3 weeks from the date of receipt of the payment, except during winter months when flow testing is dependent on weather conditions. No test will be performed when temperatures are near freezing. In addition, no test will be performed on private fire hydrants.

FOR FURTHER INFORMATION, CONTACT MR. MICHAEL DUCKWORTH @ (301) 206-4258.
