

Colesville Road Transmission Water Main Project Informational Meeting

Hosted by Washington Suburban Sanitary Commission

Wednesday, July 19, 2017

6:30 p.m.-8:00 p.m.

Montgomery Blair High School

51 University Boulevard E, Silver Spring, MD 20901

PURPOSE OF THE MEETING

WSSC invites you to attend the 3rd community meeting for the Colesville Road Transmission Water Main Replacement Project.

PROJECTS SCOPE

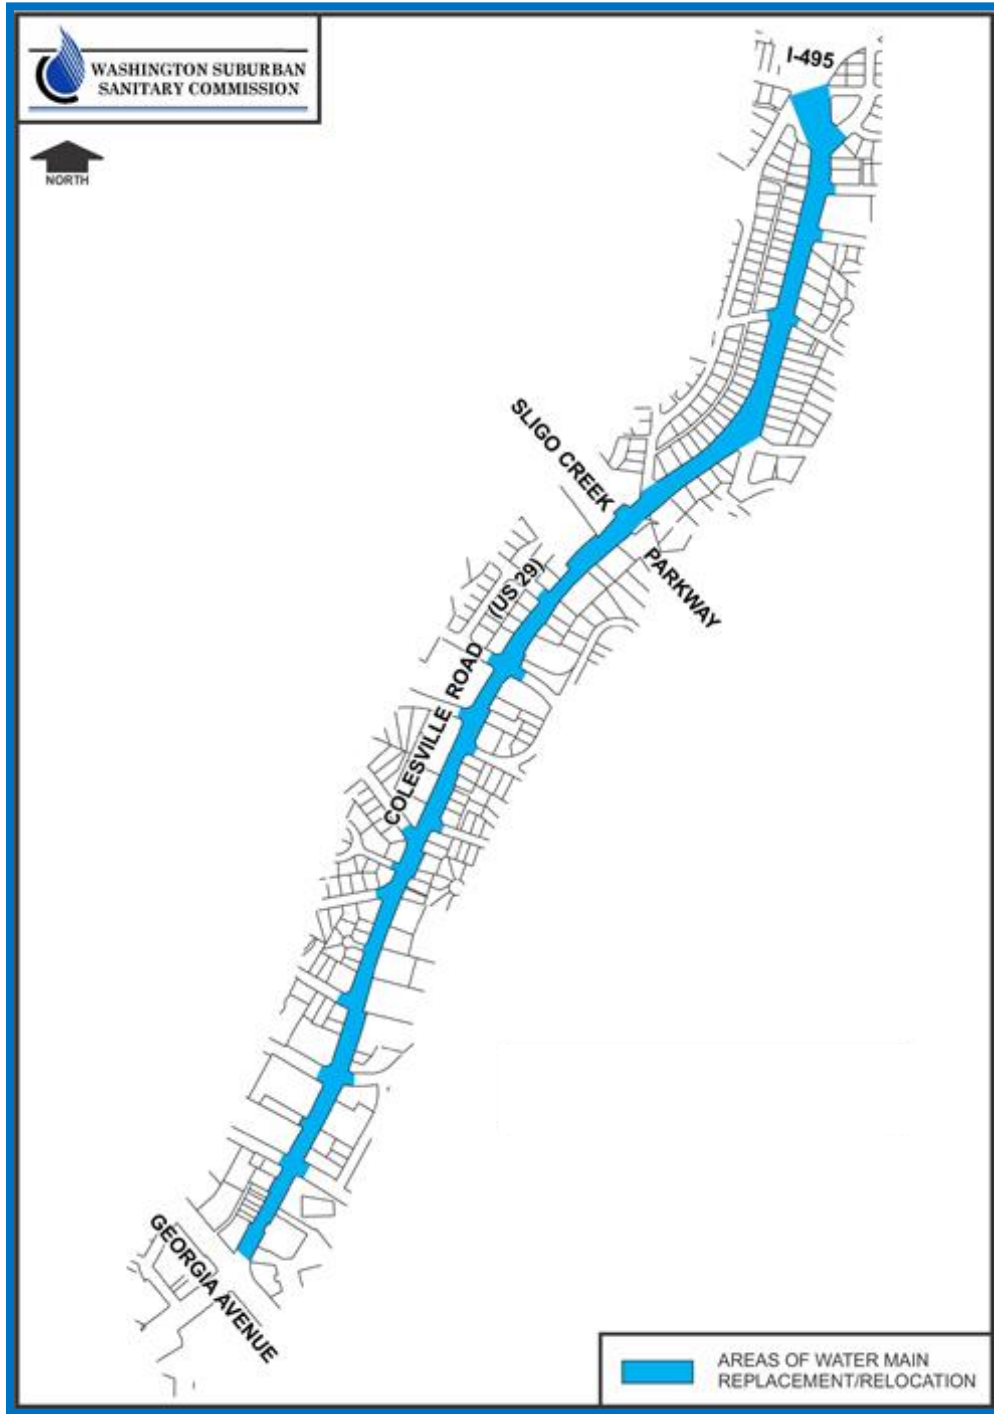

- **Colesville Road Transmission Water Main Project:** WSSC will be replacing and relocating approximately 1.50 miles of 20-inch water mains on Colesville Road/MD Route 29. The project will take place on Colesville Road from the Beltway to Georgia Avenue and is expected to begin early August, weather permitting.

WSSC invites impacted residents and business owners to attend to gain information and ask questions about upcoming construction activities.
