NOTICE: CLOSURE OF THE TEMPLE HILLS WASTE HAULER DISPOSAL SITE

As of July 1, 2015, based on low usage, the Temple Hills Waste Hauler Disposal Site located in the 7800 block of Temple Hills Road, Temple Hills, Maryland will be permanently closed. After closure, all waste hauler discharges at the Temple hills Waste Hauler Site will be prohibited. Violators will be subject to enforcement action that may include fines. Below are the locations that will remain in operation for use by waste haulers with a valid WSSC Waste Hauler Permit:

- Muddy Branch (701 Muddy Branch Road at the WSSC Sewage Pumping Station in Gaithersburg)
- Ritchie Road (389 Ritchie Road at the WSSC Sewage Pumping Station in Capitol Heights)
- Tanglewood (4568 Tanglewood Drive, Hyattsville)

For more information, please contact one of the Industrial Discharge Control Unit's Industrial Investigations Supervisors listed below.
