

Public Meeting for the  
Takoma Park Water and Sewer Main Replacement Project

Hosted by:

WSSC (Washington Suburban Sanitary Commission) and the City of Takoma Park

**Tuesday, July 26, 2016, 7 pm to 9 pm**  
**Takoma Park Community Center Auditorium**  
**7500 Maple Ave, Takoma Park, MD 20912**

**PURPOSE OF THE WORKSHOP**

WSSC is finalizing design plans for water main and sewer main replacement at homes along Eastern Avenue, and we invite you to learn more about the final alignment and how it will affect you.

Through multiple workshops and the March 2016 vote by the Eastern Avenue residents, WSSC has identified the final water and sewer main replacement alignments for the 6300, 6400, 6600, and 6700 blocks of Eastern Avenue. WSSC invites homeowners to attend this meeting to gain a full understanding of the proposed water main and sewer main alignments along Eastern Avenue, and their impacts to neighboring properties.

**WORKSHOP AGENDA**

- Project team introduction
- Presentation of the final water and sewer main alignment solutions, including a review of environmental impacts
- Next steps in design and construction
- Question and Answer session

Please visit the project website at [www.wsscwater.com/eastern](http://www.wsscwater.com/eastern) for additional information and documents, including project maps and overview, FAQs, previous community meeting presentations and environmental impact studies.

**REGISTRATION**

Although not required, WSSC encourages residents to register for the July 26 meeting. Please register by sending an email to [Crystal.Wheaden@wsscwater.com](mailto:Crystal.Wheaden@wsscwater.com).

Sincerely,

Crystal Wheaden, Project Manager  
WSSC Infrastructure Systems Group
