

You may find these guidelines helpful when completing the SLBE Application (forms R and R (a)) for the Washington Suburban Sanitary Commission's ("WSSC") Small Local Business Enterprise ("SLBE"). WSSC Water recognizes the importance of the financial sustainability of the communities that it serves. To demonstrate WSSC Water's commitment to small local businesses, the SLBE Program was established in 2001. The SLBE Program is administered by WSSC Water's Office of Supplier Diversity & Inclusion ("OSDI"). This race- and gender-neutral program supports WSSC Water with fostering effective, broad-based competition from all segments of the local business community; develop SLBEs into viable Prime Contractors which will provide new sources of competition for WSSC Water's Contracts; and promote growth of the vendor/supplier pool of small and locally-based businesses.
