

# Save water. Save money.

With new rates now in effect and higher water use during summer, many customers may see an increase in their water/sewer bills. But here's the good news: you have the power to reduce your bill by using water wisely.

summer-water usage  
adds up.

# Kiddie Pool

**Filling pool** = **240** gallons used  
two times per week

That's **2,880** gallons per quarter

**\$59**

on top of your normal quarterly bill

# Standard Sprinkler

**1hr** = **1,300** gallons used  
per week

That's **15,600** gallons per quarter

**\$373**

on top of your normal quarterly bill

# Backyard Water Slide

**1hr** = **1,920** gallons used  
two times per week

That's **23,040** gallons per quarter

**\$589**

on top of your normal quarterly bill
