

# WASHINGTON SUBURBAN SANITARY COMMISSION

## BASIC SDC FIXTURE CREDIT REQUEST

Date: \_\_\_\_\_

To: Permit Services Unit  
Washington Suburban Sanitary Commission  
14501 Sweitzer Lane, Lobby Level  
Laurel, Maryland 20707

Re: Request for BASIC SDC Fixture Credit at the following location:

Property Address (**PLEASE PRINT**): \_\_\_\_\_  
\_\_\_\_\_

A basic SDC credit will be granted for the minimum number of fixtures required in structures suitable for occupancy for the following properties (please make a selection):

- ☐ **Residential property with 1-2 toilets (basic credit of \$3131)**
- ☐ **Non-Residential property with 1 toilet (U4) and 1 lavatory (20) (basic credit of \$1096)**

### **Please Note:**

For properties with more than the basic fixtures listed above (i.e., Residential property with three or more toilets; or a Commercial property with more than 1 toilet and 1 lavatory) a WSSC master plumber must submit an SDC Fixture Credit Permit application and appropriate fees (Minimum Non-Refundable Long Form Permit Charge for residential and commercial properties. **Please Note: Fees subject to change. Please see current Rate Chart.**) Fill out a WSSC Service Connection/Plumbing/Gasfitting application form and list all fixtures in the structure on the back of the application to obtain a permit number. Once the permit number is issued, an inspection may be scheduled by calling (301) 206-4004 from 8 am to 1 pm, Monday through Friday. (The fixture credit inspection must be scheduled under "Other – Fixture Count" and "Final"). **Failure to obtain an SDC Fixture Credit Permit inspection prior to the removal of existing fixtures will result in the issuance of BASIC CREDIT ONLY.**

Sincerely,
