

Smarter service is now at your home!

Congratulations! You are now part of our exciting Advanced Metering Infrastructure (AMI) Smart Meter Pilot. Conversion to this technology is **FREE!**

Scan to learn about the benefits, important monthly billing information and helpful resources for pilot customers.

With **Smart Meter technology**, you will have the ability to receive leak and high water-usage alerts. While on the topic of leaks, we have important information to share.

DID YOU KNOW?

Toilet leaks are a leading cause of high water bills for our customers.

Small Leak

Additional
200 gallons
per day

=

Estimated
\$150
on top of
a normal
monthly bill

Medium Leak

Additional
2,000 gallons
per day

=

Estimated
\$1,742
on top of
a normal
monthly bill

Large Leak

Additional
4,000 gallons
per day

=

Estimated
\$3,510
on top of
a normal
monthly bill

That's why we've included **FREE** dye tablets to check for toilet leaks! **Learn more.**
