

PLUMBING FIRMS PROVIDING CROSS CONNECTION-RELATED SERVICES

WSSC Water compiled this consolidated list of plumbing firms as a convenience for our customers. Inclusion on this list is voluntary and intended to identify those firms that have declared they provide cross-connection/backflow preventer-related plumbing services. WSSC Water has verified that firms on this list are licensed to perform these services.

WSSC Water does not endorse or recommend any company on this list nor does WSSC Water set pricing by these companies. WSSC Water suggests that customers obtain several estimates before hiring a plumbing firm to test your backflow preventer or provide any other plumbing services.

Firms requesting addition to or removal from this list must contact WSSC Water's Licensing Specialist available through email at licensing@wsscwater.com or by phone at 301-206-8588.

This list does not represent all licensed plumbing firms and customers may use any WSSC Water-licensed plumbing firm. Though this list is periodically reviewed, registered firms' statuses are updated daily at <https://my.wsscwater.com/PermitsOnWeb/home.faces>.
