Largest combined water and wastewater utility in the United States by population served

1.9M

Residents served

162 MGD

Water provided each day

1000 Sq. Miles

Size of WSSC Water's Service Area

1,800+

Members of Team H₂O deliver on our mission

\$114.9B

WSSC Water supports the economic output of Prince George's and Montgomery counties

\$1.8B

FY2025 Operating & Capital Budget

\$5.9B

6-Year Capital Improvements Program

\$9B

In infrastructure assets maintained on behalf of our customers

Project Overview

- Approximately 2.1 miles of sewer pipes and 8 manholes to be rehabilitated
- Sewer pipes and manholes rehabilitated using primarily trenchless methods
- Completed projects will extend the life of sewer pipes by at least 50 years

The Following Photos: Example of manholes in the right of way.

Project Map & Progress

Completed Streets

- Lambeth St.
- Harwood Rd.
- Custer Rd / Harwood Rd intersection

Remaining Work

- Glenbrook Rd – 90% Complete
- Del Ray Ave – Restoration & paving
- Fairfax Rd – Restoration & paving
- Exeter Rd – Restoration & Paving
- Battery Ln – Approx. 566 linear feet (LF) of water main to be installed
- Goddard Rd – Approx. 749 LF of water main to be installed
- Park Ln – Approx. 900 LF water main of water main to be installed
- Maple Ridge Rd – Approx. 348 LF of water main to be installed

Estimated Construction Schedule

**Construction schedule is estimated and weather dependent*

What to Expect During Construction

- Anticipated Work schedule: 9:00 a.m. to 3:30 p.m., Monday-Friday
 - Conditions at some locations may require different work hours
 - Residents will be notified at least two days prior to construction activity changes
- Construction activities may include:
 - Marking locations of utilities
 - Field inspections
 - Rehabilitation of sewer mains, manholes and laterals
 - Pavement restoration where digging is necessary
- WSSC Water coordinates with local and state agencies, as well as other utilities for all planned work to avoid potential conflict and minimize disturbances to neighborhoods

What to Expect During Construction

(cont.)

- Temporary construction access within parks and private properties constructed and maintained by WSSC Water until all rehabilitation work is completed
- Right-of-Entry Agreements from owners of impacted properties obtained prior to construction if needed
- Construction vehicles and bypass pumps on temporary access road occasionally

Traffic Impacts

- Certain construction activities may require temporary changes to traffic patterns
 - Traffic will be managed to minimize community disruptions
- Access will be maintained to homes during construction
 - Access into homes is **NOT** required
 - Access onto private property is generally **NOT** required
- Parking restrictions
 - WSSC Water will provide 48-hour advance notice (denoted by “No Parking” signs) before any parking restrictions
 - Any vehicles not removed from the designated area will be towed to a nearby street at no cost to owner
- Final restoration of sidewalks, roadways and landscaping will take place within 90 days of construction completion

Signage and Restoration

- Construction signs with contact persons placed throughout project area
- Projects completed during winter months are permanently paved and restored to their original state or better the following spring

Project Summary

- **Overview:** Existing sewer mains are near the end of their useful lives
- **Replacements:** WSSC Water is replacing the sewer mains and laterals up to the property line
- **Service:** WSSC Water will minimize service disruptions during construction
- **Coordination:** WSSC Water will coordinate work activities with property owners in the project area
- **Restoration:** WSSC Water will restore all areas impacted by construction activities at the end of the project
- **Objective:** WSSC Water's goal is to provide a reliable wastewater system to customers

Helping Our Neighbors: Water Bill Assistance

Promise.

Sign up for an affordable, flexible and interest-free payment plan. **Customers with a past-due balance of \$50 or more are eligible.**

CUSTOMER ASSISTANCE PROGRAM (CAP)

CAP assists approved residential customers by **waiving fixed fees, providing free annual leak investigations and much more.**

Eligible customers can access the Water Fund multiple times, **up to \$500 per year.**

PipeER+

Provides a loan **up to \$10,000** to finance the repair, replacement or diagnostics of sewer or water on-property service line. The WSSC Federal Credit Union administers PipeER.

Customer Advocate

- The Customer Advocate provides a support interface between both commercial and residential customers, WSSC Water employees, public officials, county agencies, HOAs/civics and other key external stakeholders with the goal of providing exceptional customer service.
- Advocates are responsible for educating WSSC Water's external customers on a variety of topics including financial assistance, water conservation and other important commission initiatives.
- They also coordinate "on the scene" customer support during emergency events.

**Montgomery County
(areas south of Randolph Road)**
