— Owner's Affidavit —

I hereby certify that I am the current owner of the property described hereon; and, as such, desire to elect the deferred payment option for the service connection requested under the above Permit Number.

I elect the **Deferred Payment Plan** for the connection charges as attested by my signature below. I understand the charge will be at the rate in effect the year following the completion of the service connection construction and that the deferred amount including interest is a benefit charge assessed against the property. The deferred amount will be billed with County Property Taxes in annual installments along with the other WSSC benefit assessment charge(s), if any.
