## Greenbelt Road Transmission Water Main Replacement Project No. BT6482A18

As part of our ongoing efforts to enhance service and reliability to our customers, **a WSSC project is coming to your neighborhood.** It's all part of our commitment to strategically replace and rehabilitate the more than 11,000 miles of aging water and sewer mains buried throughout the WSSC service area.

As we get closer to construction, we are planning to hold a community meeting where we will provide you with more details. In the meantime, please read this letter as it contains important information about this upcoming project.

### **Scope of Work**

- WSSC will be replacing/rehabilitating 1.12 miles of 24" water mains with new zinc-coated ductile iron pipe, which is expected to last at least 100 years.
- The current water mains were installed in 1930's and 1970's and are nearing the end of their life cycle.
- WSSC will replace the portion of the water service line between our water main and the property line connection.
- **Directly Impacted Streets in City of Greenbelt Include:** Greenbelt Road (MD RTE 193), Branchville Road, Edmonston Road, 58th Avenue, 59th Avenue, Cherrywood Lane, 60th Avenue, Cunningham Drive, and 62nd Avenue.

### **Estimated Project Schedule\***

- Estimated design completion: Spring 2019
- Estimated construction start: October 2020
- Estimated construction duration: 1 ½ Years
- Anticipated work hours: 9:00 a.m. – 3:00 p.m.

\*The estimated project schedule may change based on issuance of permits, contracts or inclement weather.

### **Additional Information**

- **Your water service may be interrupted for a few hours while the new main is being connected. Residents will receive a 48-hour advance notification for planned service interruptions.**
- A 48-hour advance notification will be distributed in the event of any parking restrictions and changes in work hours.
- Some trees may have to be pruned or removed to accommodate the work. Residents will be notified prior to construction if there is a need for any tree removal. All tree removal and pruning will be supervised by a WSSC urban forester.
- WSSC will restore sidewalks, roadways and landscaping within 90 days of construction completion.

\*Projects completed during the winter months will be restored the following spring.

## **Contact Information/Questions:**

- Project Manager, **Bhusan Basnet**, available by phone at 301-206-**7946** or by e-mail at [Bhusan.Basnet@wsscwater.com](mailto:Bhusan.Basnet@wsscwater.com) and refer to Project No.BT6482A18.
- **Contact WSSC's 24-Hour Emergency Call Center at 301-206-4002 in the event of a water or sewer emergency.**
