## Largo Road Water Main Replacement Project Project No. BT6701A19

As part of our ongoing efforts to enhance service and reliability to our customers, a **WSSC project is coming to your neighborhood**. It's all part of our commitment to strategically replace and rehabilitate the aging water and sewer mains throughout our service area.

As we get closer to construction, we plan to hold a community meeting to provide you and your neighbors with more details. In the meantime, please read this letter as it contains important information about this upcoming project.

### **Scope of Work**

- WSSC will be replacing/rehabilitating 1.06 miles of 16" water mains with new zinc-coated ductile iron pipe, which is expected to last at least 100 years.
- The current water mains were installed 50 to 60 years ago and are nearing the end of their life cycle.
- WSSC will replace the portion of the water service connection between our water main and the property line connection.

### **Estimated Project Schedule**

- Estimated design completion: Summer 2020
- Estimated construction start: Fall 2020
- Estimated construction duration: 2 Years
- The estimated project schedule may change based on issuance of permits, available funds or inclement weather.

### **Additional Information**

- **Your water service may be interrupted for a few hours while the new main is being connected. Residents will receive a 48-hour advance notification for planned service interruptions.**
- WSSC will provide residents at least 48-hour advance notification in the event of any parking restrictions and changes in work hours.
- Some trees may have to be pruned or removed to accommodate the work. If any trees need to be removed, residents will be notified prior to construction. All tree removal and pruning will be supervised by a WSSC urban forester.
- WSSC will restore sidewalks, roadways and landscaping within 90 days of construction completion.

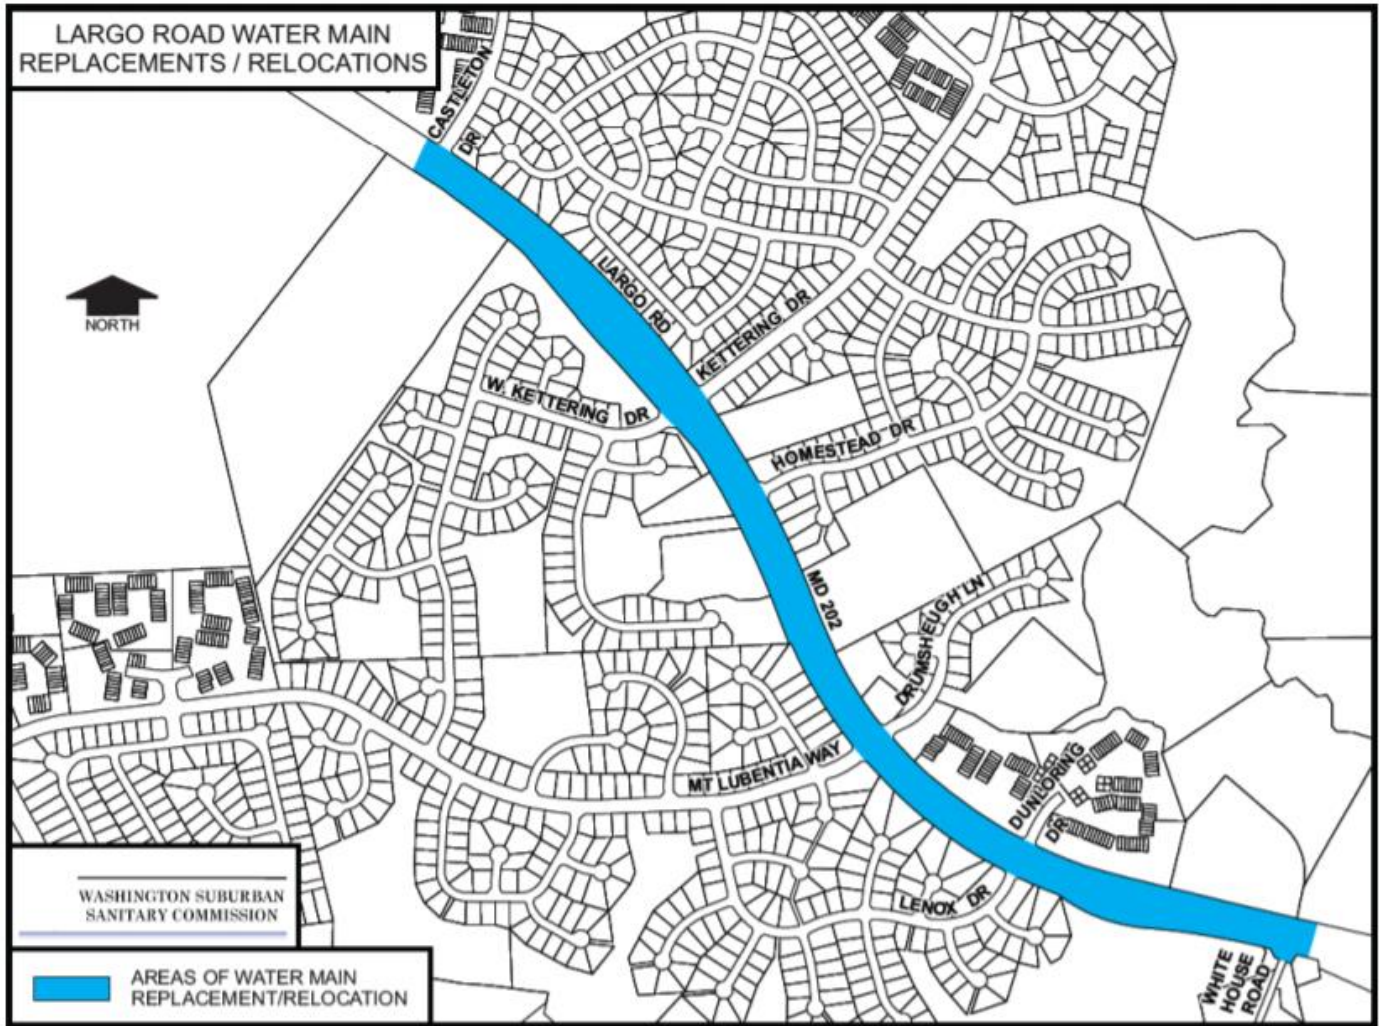

\*Projects completed during the winter months will be restored the following spring.

### **Contact Information/Questions:**

- Project Manager, **Bhusan Basnet**, available by phone at 301-206-7946 or by e-mail at Bhusan.Basnet@wsscwater.com and refer to Project No. BT6701A19.
- **Contact WSSC's 24-Hour Emergency Call Center at 301-206-4002 in the event of a water or sewer emergency.**
- **Sign-up at [www.wsscwater.com/CNS](http://www.wsscwater.com/CNS), to receive emails and/or text alerts so you can keep updated on work in your neighborhood.**

## Largo Road Water Main Replacement Project Project No. BT6701A19

**Directly Impacted Streets Include:** Largo Road, Kettering Drive, Mt Lubentia Way, and Lenox Drive.

We understand the inconvenience these types of projects can cause and appreciate your patience as we work to provide safe, seamless and satisfying water services, for our customers every day.
